Dear Parents/Guardians

2024 STUDENT RESOURCE SCHEME

Mudgeeraba State School will be introducing a student resource scheme from 2024 of \$75.00 per student. The student resource scheme will replace our voluntary contribution fee that we encourage all families to pay at the start of each school year.

A student resource scheme is an amount of money per student that is paid by families covering supplies not funded by the government. It is a convenient and cost-effective alternative to the individual supply of resources for students. Some schools include booklists but we are only including resources provided for student use such as,

- **printing of reference material** to support curriculum implementation prepared by classroom teachers
- **resources and consumables** (paint, glitter, cardboard and various other arts and craft materials both used within the classroom and during our visual arts programming)

An additional payment for all students who participate in the following programs,

- **instrumental music** as per participation agreement
- year 5 and 6 **Education Perfect** online digital learning platform

Please find attached the following 2024 SRS documents,

- Annual Parent Information Letter
- Fee Schedule
- Resource List
- Fee Payment Arrangement Form
- Participation Agreement Form

Please return the completed SRS Participation Agreement Form and 2024 SRS Fee Payment Arrangement to the office by Monday 13 November 2023.

Should you have any queries regarding the implementation of the student resource scheme please do not hesitate to contact our Business Manager Cathy Baxter on 5569 1777.

Kind regards
